

We make our clients unforgettable to their audience!

Epiphany Blue is an award-winning experiential services and events agency. We curate unforgettable virtual, hybrid, and in-person event experiences and activations for companies and communities nationwide.

Since 2006, Epiphany Blue has been orchestrating meaningful experiences that leave a lasting impact while providing clients with diverse and extensive expertise and world-class service.

We are recognized as an energizing and transformative agency that elevates our clients' events to new heights while taking pride in entertaining, educating, and empowering their audiences. Epiphany Blue is your ultimate partner in bringing your vision to life.

**Services:**

**Event Consultation:**

We help our clients conceptualize and strategize their event to ensure it accomplishes their objectives and goals.

**Event Planning & Management:**

Our team is meticulous and innovative in planning every detail.

**Event Design & Production:**

We blend our spark with your mission so that every event detail translates into a memorable experience for your audience.

**Experiential Services:**

We create immersive, interactive, and memorable experiences that engage our client's audience on a deeper level. These experiences are offered as stand-alone events or executed within a client's existing event.

Our diverse clientele includes corporations, small businesses, government agencies, educational institutions, social and professional organizations, and non-profits.
